Spectacular Features and Hospitable Welcome by Patriotic Citizens.

EDITOR NATIONAL TRIBUNE: The 30th Ind. held its 21st Annual Reunion at Topeka, Ind., on Sept. 8, and were the guests of the patriotic citizens. The meeting of union of all Union veterans, and all were the guests of the people.
Of the 30th Ind. 126 were present, and

of other regiments 139 who were registered as visiting comrades. Including these veterans and their families the village people entertained over 2,500 guests, taking them to their homes. A canopy of greenleafed brush, covering a whole town lot sheltered a vast stage upon which the chil-dren presented a beautiful flag drill—and the seated audience. Under this canopy the Reunion and Campfire were held. Under canvas, tables, over 200 feet in aggregate, were set, supplied with an abundance of the best that the country and the markets make available for the banquet; the veterans, the visitors, the guests and the people of the village sat and feasted together.

THE NATIONAL TRIBUNE will publish, without charge, brief notices of the deaths of soldiers of the war of the rebellion or other wars. We do this as a matter of general interest to survivors of these wars. The NATIONAL TRIBUNE is the only publication having a large general circulation among those who participated in the war of the rebellion, and no other means is offered to the scattered survivors of regiments to learn of the deaths of companions-in-arms of the '60's. Comrades and others are invited to send to The NATIONAL TRIBUNE, as soon after death as possiole, a brief sketch, being particular to give date and place of death, company and regiment, date of enlistment, date of discharge, and other facts regarding service, and to state what family is left by the deceased, Further, the party sending sketch should state whether he was a member of the Grand Army of the Republic, and if so to what Post he belonged; or if a member of other Orders, state the names of these.
